

RFP Announcement 12-29-06

Entity: Southeast Island School District

Number: 158456

Date: 12-29-06

Contract Length: 1-year

Service: Cellular Phone Service

**Equipment:** Southeast Island School District (SISD) has the phones required for cellular service plans.

**Service:** SISD is looking for up to five (5) cell phone plans that include: options of local, state and national plans. Voice mail and voice quality are essential. Coverage across Prince of Wales Island is also essential.

**Considerations:** SISD will consider price, coverage, quality of service, types of plan options and voice mail availability when determining which vendor receives the bid.
