

RFP Announcement 12-29-06

Entity: Southeast Island School District

Number: 158456

Date: 12-29-06

Contract Length: 1-year

Service: POTS Long Distance

Equipment: Southeast Island School District (SISD) has the phones and fax equipment required for the satellite service.

Service: SISD is looking for one-year contract to provide long distance phone service on 35 voice quality lines with the potential to increase to 40 lines. Voice quality is essential. Voice mail and up to 20 key lines are also expected. This phone service must cover all of SISD's Prince of Wales Island area schools including our sites in Port Protection, Port Alexander and Hyder.

Considerations: SISD will consider price, quality and packages in determining which vendor receives the bid.

If you have any questions, please contact Melissa L. Cook at Southeast Island School District. (907) 828-8254 or mcook@sisd.org
